- WRC Building
    - Concerns- the outside doors by the KDG rooms (White/Oldroyd) do not always latch. Ryan did go look at the door and its force needs to be more to close properly.
    - The chairs in the high school had the baskets underneath cut off leaving sharp edges that student cut their clothing on and cutting themselves causing bleeding. Dave and Ryan stated there are hundreds of those chairs. It would be more cost effective to replace the chairs.
