Mr. Gobble welcome Dr. Stair to Troy.

Visitor Comment and Question Period:

Ms. Abreu, retired Principal for the Troy Area School District welcomed Dr. Stair to the district. Ms. Abreu hopes Dr. Stair has the skills and tact to manage the district. The district is in desperate need of trust building, teamwork, loyalty and doing what is best for kids. You have a great group of teachers, administrators and community that supports our children. Ms. Abreu wished Dr. Stair the best of luck.

Darla Sparling, Troy congratulated the class of 2020. This class started their life with a tragedy and are graduating during a pandemic. Ms. Sparling is upset with the fact that while everyone is to be social distancing and taking precautions the Troy Area School District administration allowed the top 10 students to get their pictures taken together without following top leaders order of standing 6 feet apart. This picture that is on social media has upset students. In a day, week, or year this will be irrelevant, but I would consider apologizing to the class rank from 11 to 103 that they are not as important.

Adjournment: On a motion by Mr. Brasington, seconded by Mr. Curren, the directors adjourned at 6:15 PM.

Respectfully submitted,

Traci Gilliland
Board Secretary
