Have a Great Summer!

A Message from Mr. Wilcox

Where does the time go?

It has been an amazing year with countless memories and amazing growth in our students. I can't thank our staff, faculty, and volunteers enough for your endless support to our student body. I look forward to seeing many of you next year - but to our second graders, good luck and achieve greatness. You can do anything! Work hard, dream big, and reach for the stars!

Thank you to the parents for your support and guidance in educating your children.

Have a wonderful summer, stay safe, and I can't wait to see you next school year!

Perfect Attendance for the 2021-2022 School Year Congratulations!!
