New staff at WR Croman!

Mrs. Gibble graduated from Elderton Jr/Sr High School, Juniata College for her Bachelor's degree and Temple University for her Masters.

She lives in Roaring Branch with her husband Ben and has 4 children, Skyler, Noah, Jonah and Elijah.

Mrs. Gibble has 2 dogs and enjoys reading, crafting, and bowling. She has

worked for the district for 7 years and "loves making a difference in the lives of students".

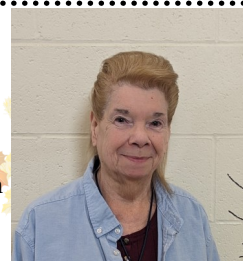

Ms. Kerrick is new to our district as one of our First Grade teachers starting in September. She graduated from Troy High School and Keystone College. Ms. Kerrick lives in Athens and has 2 children, Jordan and Mitchell, a dog and a cat.

She enjoys spending time with family and friends, walking and shopping. The thing she enjoys most about her job is "watching the student's faces when they learn something new and building a rapport with each student to watch them learn and grow."

Grandma Lane is one of our fabulous Foster Grandparents. She graduated from St. Mary's High School in N.J. and Middlesex County College. Grandma lives in Troy and has a son and daughter-in-law and 4 granddaughters.

She enjoys reading, knitting and crocheting. Grandma Lane has been working at WR Croman for 2 months and loves interacting with the students and learning new skills. She says "the hugs are the best reward".

Mrs. Tarhovsky is our Building Base Substitute this year. She graduated from Pleasant Valley High School and East Stroudsburg University. She lives in Elmira with her husband Mike, dog, Peeko and 3 cats, Patchy, Pete, and Orla.

Mrs. Tarhovsky has been at WR Croman since August as our building base sub and says she "enjoys helping all of the students and staff and learning how each class operates".

Mrs. Mitstifer is our new Second Grade teacher and graduated from Troy High School and Penn State University. She lives in Checkerville with her husband, Greg and their 4 children and 11 chickens! She enjoys family time and reading.

Mrs. Mitstifer just started with us as a Second Grade teacher but is in her 17th year of teaching. The best part

of her job is "Seeing the progress students make in their learning".

Mrs. Thomas started with our district this year as a Para. She lives in Troy with her husband and has 1 child, 2 grandchildren and 2 cats. She enjoys gardening, baking, cooking and spending time with my grandchildren. Mrs. Thomas graduated from Canton Jr/Sr High school and Northampton college. The thing she likes most about her job is "the children and the wonderful staff".

Croman Cruiser Fund Raiser

Croman Cruiser Laps were a huge success. We had great weather and everyone enjoyed the day. The PTSO would like to thank those that volunteered to help and the Sponsors:

Notes from the Nurse

October is Children's Health month

It is observed to help remind us how important it is for us to protect and develop better health in our children. So, what can you do to improve your child's health? Here's just a few ideas.

Schedule your child's yearly Wellness visit.

Wellness visits help guide you to make better health choices and to catch underlying problems early.

Encourage your child to Go Outdoors.

Studies show spending time in nature can have a positive impact on children's mental & physical health.

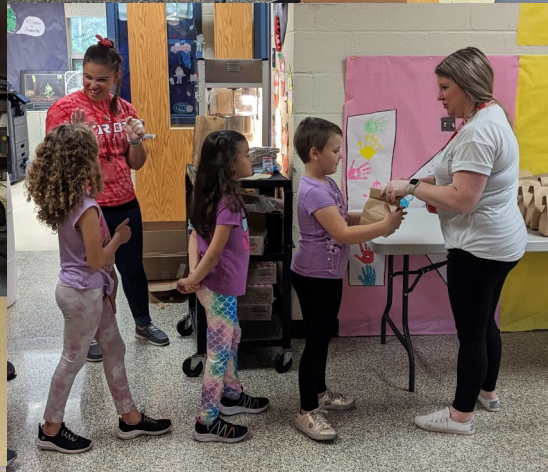

Encourage more Fruits & Veggies.

There are numerous benefits to adding more fruits & veggies but most important is the essential nutrients they provide for growth and good health.

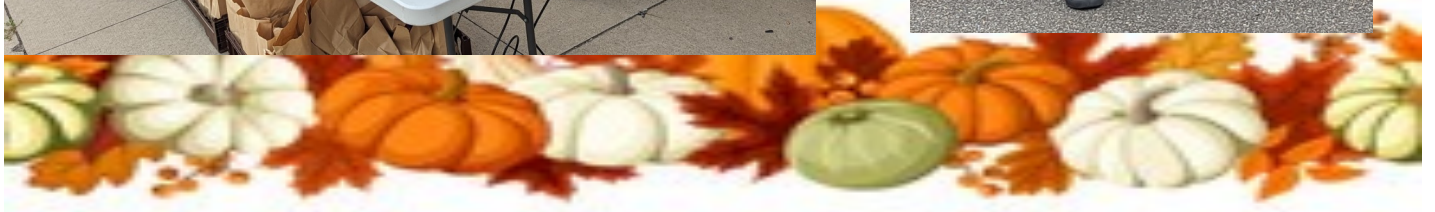

Teach good Oral Hygiene habits.

Reminding your child to brush both morning and night can help them build strong healthy teeth for life.
