# Whats Happening

## 3rd grade

Third grade is gearing up for a very exciting and fun filled last month of school! We set our eggs in our incubators on April 18th and anxiously await our new baby chicks and ducklings around the second week of May. We also enjoyed our PTO fundraiser prize assembly and PSSA kick off on Friday, April 21st. Coming up in May, third grade has several exciting field trips planned. On May 15th we will be walking to Croman for the Vehicular Career Day, This is an informative event where students will see various vehicles and learn about the occupations that use these vehicles. The very next day on May 16th we will be traveling to Animal Adventure Park to learn and interact with all of their amazing animals! On the 24th we will be visiting Pisgah State Park to learn about nature close to home. TIS Field Day will be May 31st which is always a day of camaraderie, sportsmanship, and fun. We can't believe this school year is almost over!

## 5th grade

At the end of May, 5th grade will be hosting our annual Wax Museum. VIP passes will be passed out to homerooms soon! Visitors will be able to learn about historical figures by reading the biographies written by our 5th graders and having a Q and A with the historical figures themselves (the dressed up 5th graders)!

## 4th grade

\*4th grade classroom books have been sent to the publisher! We are looking forward to seeing our finalized animal books once they are printed and sent back!

\*Thurs. May 18th- Tri-County Electric will be coming in to do an electricity safety lesson for each of the classes with an interactive model that they've built.

\* In Social Studies, we are going to be taking a step back in time and learning about daily life in the 1800s as we read Farmer Boy by Laura Ingalls Wilder to prepare for our Farm Days trip.

## 6th grade

On Friday May 26th, the 6th grade will be having their environmental (conservation) day. The Bradford County Conservation District will be visiting our classrooms and providing opportunities for the students to develop a greater understanding, connection and appreciation for nature, the outdoors, and our natural resources. The students will rotate through stations with presentations on a variety of conservation topics .

# News Around TIS

In 3rd grade students learned about volcanos in science then we researched and wrote about a volcano in ELA. To end the project students got to build a volcano out of clay and we spent a class erupting them!

## Top Notch Trojans!

3rd

Mitchell Mitstifer  
Vincent Moyer  
Rana Vannoy  
Ethan Nichols  
Asher Zurn

4th

Molly Slocum  
Tucker DePew  
Scarlet Pingitore  
Wesson Holmes  
Adam Ganiel

5th

Gavin Trick  
Kevin Kinney  
Kyle Kibbe  
Elli Barnes  
Kaylee Meeker

6th

Lydia Wolf  
Sophie Pingitore  
Hunter Kellogg  
Kara Cummings  
Gavin Nichols

## Artist of the Week

Sophia Wright  
Grade 4

Blake Moon  
Grade 5

Savanah Vanemon  
Grade 6

SAVE THE DATE

6th Grade  
Farewell Dance

TROY HIGH SCHOOL CAFETERIA  
MAY 19, 2023  
6-8 PM  
\$5 AT THE DOOR

# End of the year wrap up!

## PSSA TESTING DATES

3-6th ELA PSSA: April 25, 26, 27  
3-6th MATH PSSA: May 2, 3  
4th Science PSSA: May 4th

A good night of sleep helps the students succeed and try their best! Remind them to try their best but that it is just one small piece of the puzzle that shows the state and their teachers what they have learned and understand.

TIS Field Day - Wed. May 31st

A fun-filled day where there will be crafts, inflatable mazes, face painting, snacks, Tug-O-War & MORE!! Watch for your student to bring home an info sheet where we will provide some tips and ask if they plan on buying lunch or packing lunch that day. Please return the bottom section to their homeroom teacher.

**Current needs: yarn for crafts**

We're going on a field trip....

May 4- Stettler Field Trip to Dunkin Donuts

May 9- 6th Grade Field Trip-Animal Adventure Park

May 12- 4th Grade Trip-Harrisburg
